PREFACE.

In presenting number sixteen of the New Bedford City Directory to our patrons, we take this occasion to thank them for the generous manner in which they have biennially supported the work, and also for the polite attention of the citizens generally to our agents, while collecting the names and other statistics necessary to complete the Directory.

An unusual number of new names have been added to the Directory this year, and a larger percentage of corrections made, such as removals, changes of business, etc., etc., than in any previous two years since we commenced its publication, showing that the old edition is comparatively worthless at this date as a guide to the citizens and business of the city. There are 9,360 names in the Directory this year, which is a large increase over those in the last edition, and adds to our book nearly forty pages, thus showing that New Bedford is increasing in population much more rapidly than the cities of New England generally, in these times of business depression.

We have removed our office from 242 Washington street, Boston, to more commodious quarters in the granite building, No. 22 School street, where we shall be pleased to see all of our patrons and friends who may wish to refer to our Directories, complete files of which are always kept upon our shelves.

Americans visiting London, England, will also find our Directories on file at Messrs. Henry F. Gillig & Co.'s, 449 Strand, Charing Cross.

Persons who did not subscribe, and desiring a copy of the Directory, will find them on sale at Edwin Dews, 105 Union street.

Very respectfully,

GREENOUGH & CO.,

Editors and Publishers.

Dr. E. D. SPEAR,

SO MUCH CELEBRATED FOR HIS REMARKABLE CURES.

Office, 897 Washington Street, - - BOSTON.

The testimony of many persons who seemed fit tenants for the grave, and who now, happily, enjoy the best of health, is proof sufficient of the great efficacy of the treatment of Dr. E. D. SPEAR. Success has attended the efforts of Dr. SPEAR in a wonderful degree. "Consumption's ghastly form" has brought terror to many a stout heart, and defied the skill of many an excellent physician. That Dr. SPEAR has restored to perfect health many suffering from this obstinate disease, is an undoubted fact, and the skeptical should be convinced by investigation.—*Watchman and Reflector.*

WELLFLEET, May 5, 1874.

DR. E. D. SPEAR—*Dear Sir:* It is with pleasure I acknowledge the great benefit I have received from the use of your medicine. In December, 1861, I was attacked with bleeding from the lungs. In June, 1862, I had another, and a much more severe attack. I well remember the time I got my sister to write to Dr. SPEAR for his medicine. My bleeding was not any common case, I assure you. After giving the medicine a fair trial it entirely cured me. From that time to this I have had no bleeding. My health is good. I can work as long as the best of men. My weight is one hundred and fifty, the same as before my sickness. I know of no reason why I am not good for thirty years, for I have outlived a large number that thought I would die fourteen years ago.

JOHN G. HIGGINS.

KEENE, N. H., Dec. 8, 1873.

DR. SPEAR. I am very much better. My lungs felt filled up, but now feel free and easy. My appetite is good; I have gained ten pounds. I have been very punctual in taking the medicine. I think I should have been in my grave but for you. My prayers shall go up to God that he shall bless you and yours.

Respectfully,

MRS. MIRA A. BAKER.

SAND LAKE, N. Y., March 2, 1874.

DR. SPEAR—*Dear Sir:* Last August you sent me a box of medicine for my son, for bleeding at the lungs. In six weeks he appeared like a new man. He said he would need no more medicine, for since the first of September, until the 20th of February he had not spit any blood. Two weeks ago he took cold, and has raised some blood. Please send, as soon as possible, a box of medicine, and he will pay on delivery.

ORLANDO HORTON.

EAST LYME, CONN., Nov. 5, 1873.

DR. SPEAR—*Dear Sir:* I am thankful that God has given you skill to relieve the afflicted. I am happy in the thought that I can do anything towards publishing your name to the world. To God be all the glory.

Yours truly.

NANCY MANWARREN.

Rev. E. H. McKenney, of Saugus Centre (late of Lynn and Elliot, Me.), could not walk without a cane; prayed to the Lord for directions; went to Dr. Spear and was healed.

Wm. J. Jeffrey, at North Reading, was confined to his room; had been sick a year; looked on by all his friends and physician as past earthly aid. Called Dr. Spear to see him. This was in August, 1875. The past winter he has worked in the woods, and writes, June 2, 1877: "My health is better than a year ago."

Charles W. Doe, at Marblehead, had bleeding from the lungs for three years; had given up all hope, but, to please his mother and sister, applied to Dr. Spear. This was six years ago. The past winter he has been hard at work; "not lost a day by sickness."

Rev. Miles N. Reed, of Maplewood, writes June 8, 1877.

DR. E. D. SPEAR—*Dear Sir:* I truly appreciate your services as a medical adviser and physician. I concluded at the time I consulted you that you understood my case thoroughly; and I feel sure that your treatment has proved that my conclusion was correct. It gives me pleasure to recommend you to the afflicted, believing that they will find you kind and faithful in your consultations, and safe and thorough in your method of treating diseases.

Hon. F. S. Egleston, this year's Representative to the Legislature, from Westfield, having sampled Dr. Spear's Indian Vegetable Medicines, was restored to health, gaining at least 40 pounds. He recommends Dr. E. D. Spear to the sick of his own town, also to the sick of all other towns.

DR. SPEAR will also refer to Jas. T. Croft, 97 Beverly st., cured of consumption; John Ward, 787 Sixth st., cured of consumption; Charles W. Doe, Marblehead, cured of bleeding from the lungs; Rev. E. H. McKenney, Saugus Centre, cured of consumption; Mrs. Erving, Newton; Mr. Wm. B. Trask, Pond st., ward 16; Mr. Russell Carruth, So. Boston, and many others, who have been cured of various diseases which had baffled the skill of other physicians. ***Dr. SPEAR may be consulted upon all diseases, free of charge***

LOCALITIES OF INTEREST

IN AND ABOUT THE CITY.

ACUSHNET. That is a village usually known as the Head of the River, about three and a half miles in a northerly direction from the City Hall. The westerly part is in New Bedford, and the easterly part in Fairhaven, divided by the Acushnet river. The parts are united by a stone bridge. Pine Grove cemetery is near the village.

ACUSHNET HEIGHTS. That portion of our territory known by this name is in the northwest part of the city, commencing at the head of Willis street. Here are some of the most beautiful private residences of our city; and the view which includes the river, the harbor, the bay, and adjoining shores, villages, and islands, is one of the finest in the country.

BELLEVILLE. This name was, many years ago, given to a spot on the bank of the Acushnet river, about one mile south of Acushnet village.

CANNONVILLE. A portion of the westerly part of the city, in the neighborhood of the meeting-house on the Smith Mills road, is known by this name, thus called in honor of one of our citizens, whose labors in behalf of the people there will long be remembered.

City Common. This beautiful spot is in the north part of the city, and is bounded by County, Purchase, Pope, and Pearl streets. A very handsome monument, erected by the city at a cost of about $13,000, as a memorial to the soldiers and sailors who lost their lives during the war of the Rebellion, is located here.

Clark's Point. This point forms the southerly part of the city. It has the waters of the Acushnet river on the east and of Clark's Cove on the west. Its length is about two miles. At its southern extremity is a large tract of land belonging to the United States, on the river side; at the extremity of the point is a lighthouse, west of which the government has erected an extensive fortification. Around this point, a distance of about four and a half miles, is a road not surpassed by any public drive in this country. It commences at French avenue, junction Cove street (at the Orphans Home), and follows the shore from thence along the western, southern, and eastern boundaries of the point, until it terminates in the street where it has its beginning. It is eighty feet wide, smooth and level, and in its course commands a series of views of surpassing loveliness and beauty. The cove, the bay, the river, the shores, the islands and ledges, the lighthouses, steamers, and sailing craft of every description, the city on the one side, its sister town of Fairhaven on the other, and the noble bridge between, constitute a series of views which render a ride or a walk over this road most delightful and attractive. The City Farm and Almshouse is located on the eastern side of the Point.

Fish Island. The bridge from the city to Fairhaven passes over this island. Several wharves, an extensive coal-yard, an oil factory, a marine railway, and a boat manufactory are connected with it.

Four Corners. The space formed by the intersection of Water and Union streets. This has been a somewhat noted spot in our local history. Near this was erected the first village house, and it may still be regarded as a business center. The banks, insurance offices, lawyers' offices, etc., are nearly all in this vicinity.

Rockdale is about one mile north of Cannonvile, on Rockdale avenue.

Pope's Island. This island derives its name from a family long known and respected among us. The bridge between the city and Fairhaven passes over it. It lies nearly in the center of the river.

PALMER'S ISLAND, upon which the United States Government has a lighthouse, is at the mouth of the inner harbor. The main channel lies east of it. It affords a good protection from the high southerly winds. The Palmer house, an excellent hotel, has been recently opened on this island for the benefit of the public, and every facility is here presented for the comforts of a sea-side resort.

PUBLIC CEMETERIES.

There are three public cemeteries in the city.

THE RURAL CEMETERY is in the south part of the city, on the west side of Dartmouth street, about one mile from the City Hall. Also an entrance on Rural street from Allen street. Thomas Davis, sexton.

THE OAK GROVE CEMETERY is in the west part of the city, on the north side of Smith and Parker streets, about one mile northwest of the City Hall.

THE PINE GROVE CEMETERY is situated on the road leading to Tarkiln Hill near Acushnet village.

QUARANTINE.

Port Physician, Charles L. Swasey. Office 93½ Middle street.

The quarantine ground is bounded as follows: Butler's flats on the south, the east shore of Clark's point on the west, the Eleven Foot Bank on the north, and the Egg Islands on the east.
